Title: Loans in Areas Having Special Flood Hazards.

OMB Control No.: 1557-0326.

Type of Review: Regular.

Description: This information collection is required to evidence compliance with the requirements of the federal flood insurance statutes with respect to lenders and servicers and set forth in OCC regulations at 12 CFR part 22. These provisions are required by the National Flood Insurance Act of 1968 and the Flood Disaster Protection Act of 1973, as amended.<sup>2</sup> The information collection requirements in part 22 are as follows:

- 12 CFR 22.5 – Escrow Requirements – With certain exceptions with respect to types of loans and size of institution, national banks and federal savings associations, and their servicers, must escrow flood insurance premiums and fees for all loans secured by properties located in a Special Flood Hazard Area made, increased, extended, or renewed on or after January 1, 2016. Written notice must be provided informing the borrower that the institution is required to escrow all premiums and fees for required flood insurance.
- 12 CFR 22.6 – Required Use of Standard Flood Hazard Determination Form – A national bank or federal savings association must use the Standard Flood Hazard Determination Form developed by FEMA.

---

<sup>2</sup> 42 U.S.C. 4001 - 4129.

- 12 CFR 22.6(b) – Retention of Standard Flood Hazard Determination Form – A national bank or federal savings association must retain a copy of the completed Standard Flood Hazard Determination Form for the period of time the bank or savings association owns the loan.
- 12 CFR 22.7 – Notice of Forced Placement of Flood Insurance – If a national bank, federal savings association, or its loan servicer determines during the period of time the bank or savings association owns the loan that the property securing the loan is not covered by adequate flood insurance, the national bank, federal savings association, or its loan servicer must notify the borrower that the borrower should obtain adequate flood insurance coverage (forced placement notice). The forced placement notice informs the borrower of the amount of flood insurance to purchase. If the borrower fails to purchase insurance, the bank, savings association, or its servicer must purchase insurance on the borrower's behalf and may charge the borrower for the premiums and fees. The insurance provider must be notified to terminate any insurance purchased by an institution or servicer within 30 days of receipt of confirmation of a borrower's existing flood insurance coverage.
- 12 CFR 22.9 – Notice to Borrower and Servicer – A national bank or federal savings association making, extending, increasing, or renewing a loan secured by property located in a special flood hazard area must provide a notice to the borrower and loan servicer (borrower notice). The borrower notice advises the borrower that the property securing the loan is located in a special flood hazard area and that flood insurance on the property securing the loan is required.

Among other things, the borrower notice includes a description of the flood insurance purchase requirements and states that flood insurance is available under the National Flood Insurance Program, where applicable, that flood insurance may be available from private insurance companies, and that federal disaster relief assistance may be available in the event of a declared federal flood disaster.

- 12 CFR 22.9(d) and (e) – Record of Borrower and Servicer Receipt of Notice and Alternate Method of Notice – A national bank or federal savings association must retain a record of the receipt of the borrower notice by the borrower and the loan servicer for the period of time the bank or savings association owns the loan. In lieu of providing the borrower notice, a national bank or federal savings association may obtain a satisfactory written assurance from a seller or lessor that, within a reasonable time before completion of the sale or lease transaction, the seller or lessor has provided such notice to the purchaser or lessee. The bank or savings association must retain a record of the written assurance from the seller or lessor for the period of time the bank or savings association owns the loan.
- 12 CFR 22.10 – Notices to FEMA – A national bank or federal savings association making, increasing, extending, renewing, selling, or transferring a loan secured by property located in a special flood hazard area must notify the Administrator of FEMA (or FEMA’s designee) of the identity of the loan servicer (notice of servicer) and must notify the Administrator of FEMA of any change in the loan servicer (notice of servicer transfer) within 60 days of such change.
